

# The Golden Gate Chapter's Gold Nugget Program

Before the Golden Gate Bridge, Coit Tower, the San Francisco Giants and 49ers, the cable cars, and those beautiful painted ladies, there was pure gold to be found out west, and we are certain you can still find some nuggets today! **We challenge you to start panning for gold and accumulating nuggets by participating in Golden Gate Chapter activities! Here's how it works:**

You will accumulate nuggets for each activity in which you participate, as listed below. We'll track the nuggets for you. The program runs from April 1 to March 31. The first member to reach 1500 nuggets wins a \$50 gift card. Every quarter, one of the top five members with the most nuggets will win a \$50 gift card. **As of March 31, the member with the most nuggets will win a scholarship to the ALA Regional Conference!** <sup>1</sup>
